*"Torah, Mitzvahs, Motorcycles"*

December 2006: Tevet

B"H

By the Grace of G-d

Dear Friend,

As we rapidly approach the end of the 2006 tax year, we'd like to urge you to consider a year-end tax-deductible donation to Lions of Judea Inc.

We are an outreach organization of Rabbis and Jews from every level and denomination of religious observance. We have chosen to cast off our denominational "labels" so that we may endeavor to bring the "Light" of our Faith to every Jew everywhere.

Thanks to the generosity of people like you, this has been a banner year for Lions of Judea culminating in a wonderful year of learning and spreading Yiddishkeit to every Jew everywhere. This past year, we raised funds to support Joe DiMaggio Children's Hospital, Hatzolah, Chabad Lubavitch, Kolel Chesed Avraham, The Jewish Federation, the Jewish Motorcycle Alliance, and many synagogues here in the US and in Eretz Yisrael, as well as elderly assistance. Our ongoing Shabbatons, Torah classes and tefillin programs continue to grow. We have expanded these programs through our Board of Rabbis to San Francisco and Los Angeles California, New York, Florida and Israel.

You may find it most interesting that most of us ride Motorcycles. That's right, we are the Lions of Judea and we are Jewish Bikers. What makes us unique is that we know that we are Jews first and Bikers second. Our mission centers on fund raising for those in need and other activities that are "faith based", highlighting Jewish Outreach, learning and Jewish unity, while enjoying the company of other Jews who ride motorcycles.

We wish to take an active role in participating as a Partner with you on any upcoming mitzvot, events and or projects.

We are a not for profit foundation and operate completely on the kind sponsorship and donations of our biker members, supporters, individuals and organizations.

Lions of Judea fully supports and works daily with other Jewish Motorcycle clubs locally and nationwide. We are also inspired and supported by generosity of our "Biker Friends", who do not ride motorcycles, but love to be around them and see the important value of our mission.

## **Lions of Judea International**

***"Torah, Mitzvahs, Motorcycles"***

We operate under the supervision of a Board of Directors comprised of Rabbi's and individuals from every level of religious observance and we invite you to join us on our journey on this timely and important mission.

Please G-d, we look forward to even more excitement in the years ahead, as we expand our charitable and learning programs to reach out to every Jew from every walk of life.

A nominal amount of our budget is spent on administrative costs. So, simply stated, the more funds we receive from people like you, the more resources we can pour right back into serving the global Jewish community! It is the donations of blessed friends and supporters like you which facilitate our mission.

To make a donation or to become a member or supporter of our newly formed Biker Club "Lions of Judea Motorcycle Association" or to become a benefactor of our organization, please call or email us your request.
